Subject Amendment of the Byelaws relating to the licensing and inspecting the conduct of bakeries, sweetmeat shops hotels, restaurants, tea and coffee houses ice and aerated water manufacturing places and private meat stalls

---

The Health Officer of this Municipality brought to notice that under the byelaws relating to the subject mentioned above, there was no provision to ask the licensees to (1) keep the license issued in the premises (2) maintain a proper Inspection Book (3) make the Medical Certificates available whenever wanted by the Inspecting Officers As a result the Health Officer and other officers are unable to satisfy themselves during inspection that the licensee has been acting according to conditions laid down After the parties are in the habit of saying that the licenses etc are in their houses sending the party to his house and asking him to fetch the same is causing avoidable trouble He also suggested that the licensees may be in a booklet form instead of in sheets as the former are more durable

The suggestions made therefore by the Health Officer to amend the conditions to be satisfied by the concerns contained in page 172 of the 1953 Edition of the Byelaws under the Head 'I General' was approved by the Legal Committee and the Council

The amendment having been duly notified in the Official Gazette and Local dailies as per Gazette Notification Copies enclosed herewith no objections were received within the prescribed time

The Council finally approved of the proposed amendment at their meeting held on 4-5-1954

I enclose herewith a copy of the resolution and request that orders of Government may be kindly obtained sanctioning the amendment as notified

Yours faithfully,

(N Lakshman Rau)
Municipal Commissioner
